

The Power of "3"

The Power of "3" is your fundamental tool for growth and duplication.

You've mastered the "art of the invitation" and you're in the groove! You've developed posture and confidence by utilizing your tools and your SUCCESS TEAM. Your organization is growing and you are in a leadership position. Now, let's utilize the most important tool in your toolbox.

The Power of "3"

Identify "3" people in your group that are like-minded and have your same vision. People who see the power of this market and know they have the ability to write their own ticket in life. Write these people's names in the top boxes in "pencil".

The Power of "3"

Work closely with these people, find their circle of influence and have them duplicate this same process. By finding 3 like-minded people, who have the vision and will work together as a team, your business is building to the power of "3".
